

Friends of the Clinton Community Library

Minutes of Meeting – March 29, 2021

The Friends met via Go To Meeting on Monday, March 29, 2021, at 4:30 pm. There were ten members in attendance. This was the first formal meeting of the Friends, following an introductory meeting held on February 18.

Carol Bancroft announced that the following members had volunteered for leadership positions:

Nancy Drago	Chairperson
Rise Cross	Board Liaison
Zachary Snow	Secretary

Carol and Kim Lewis reviewed the status of the book sale. It has been postponed until June, to coincide with the library's first annual plant sale. Accordingly, work on sorting books has been suspended until May. Carol will circulate the new schedule. Kim is working on a timeline for all necessary preparations. The town is permitting use of the town hall.

Carol reminded the group that there is a vacancy on the Board of Trustees, and asked for help to identify candidates.

Kim and Rise Cross led a discussion of the plant sale, which is being coordinated by Chris Johnson, a trustee.

The Friends will meet again towards the end of April.

Zachary Snow, Secretary
