

Clinton Community Library Director's Report January 2021

COVID-19 Update

- The library has paused in-person programming in response to the highly contagious Omicron COVID-19 variant. I request that the board discuss what further action might best be taken regarding adult and youth in-person programming going forward.
- Gov. Hochul extended the NYS mask mandate through February 1, 2022.

Funding/Fundraising

- Received: \$5,000.00 "Grants in Aid" – thank you again to Assemblymember Didi Barrett for her unwavering support of libraries in her district.
- 2021 Annual Appeal Campaign: total received as of writing this report: \$18,387.00

Staff/HR

I will be conducting annual staff evaluations during the month of January.

Facilities

- We have new chairs at the public computers. Their slimmer profiles allow more space for patrons who are browsing in the area, yet they are still comfortable.
