

Long Range Planning Committee Meeting  
March 10, 2022

In Attendance: Lis Giglio, Kim Lewis, Carol Bancroft, mary Pat Sternberg

Noted that we had not received drawings for Accessible Entrance yet, will revisit at the next LRP committee meeting.

Spoke about disposing of old electronics through Ulster County Resource Recovery in April. Will coordinate with the Town of Clinton.

Reviewed status of the library lease renewal. Shared out conversations with town council persons and agreed that the next step will be for the full Library Board of Trustees to meet ,as well as the Library Director, in an Executive session, at the next BOT meeting, March 14th, for further discussion.

Carol Bancroft reported that at the March Town Board meeting there was discussion of using some of the ARP funds, along with the \$10,000 previously budgeted to repair basement floor in the Van Vleit Room and kitchen area. No decision was made.
