Town Community Day, September 3:

No one from the library was able to attend the last meeting. The theme will be community service and spirit. The library will have an information table and we will coordinate with trustees to man a library budget vote table also. The library will provide a children's activity area.

Gala donor celebration, October 22:

Need a theme to target new library patrons and new Clinton residents; library and community growth since Covid. Involve the Turning Outward program findings and participants. Have a guest speaker? Will focus on the library budget vote as well. Work to begin on mailing, invite, and party in August.

The next meeting will be on Thursday, August 4, 2022, time and place to be confirmed.
